# 2009

## Landmark Year for Utah Food Bank

With our capital campaign in full swing, we moved to our new home in September 2009.

With unyielding focus and determination, our board and capital committees, employees, and staff rallied to foster support from friends and partners within the community securing \$10 million towards our \$11.4 million goal. The Utah Food Banks' capital campaign message 'A Case for More Space' was aimed at educating the public about the 125 statewide partners and agencies the UFB serves as well as the increased need for food.

Our new 86,000 square foot distribution center provides increased capacity to collect and distribute food. Utah Food Bank is now positioned to keep pace with Utah's growing emergency food needs. The UFB has reached an all-time high with food distribution reaching 22.4 million pounds of food for Utah families in 2008-09.

Additional milestones reached this year include expansion of the Grocery Rescue Program between local food chains and the Utah Food Bank which grew from collecting 1.6 million pounds in 2007 to 2.8 million pounds in 2008-09. 2-1-1 Information and Referral service phone center answered over 102,805 phone calls this year assisting citizens statewide seeking to navigate the human services system. 2-1-1 also implemented IRis™, a referral management system that allows tracking of referrals and provides more comprehensive reporting mechanisms.

Currently, 1 in 10 Utahns and 1 in 8 Utah children live in poverty. In addition, Utah is ranked 4th in the nation for the highest rate of food insecurity. That means nearly 350,000 state citizens might skip or miss their next meal due to a lack of resources. Requests for food assistance increased 30% over last year. In order for the UFB to continue to meet the needs of Utah citizens we will continue to ask for three things:

**FOOD - TIME - MONEY.**

Thank you for your continued support of our mission to meet the immediate basic needs of people in our community who have nowhere else to turn.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jim Pugh".

Jim Pugh  
Chief Executive Officer

A handwritten signature in dark ink, appearing to read "Susan Clayton Rather".

Susan Clayton Rather  
Board Chair

### Commercial (26%)

Donations from local grocers, reclamation centers, manufacturers, wholesalers, and transportation companies are categorized as commercial donations. These donors often contact UFB to arrange for pick-up of product that is over-stocked, close to expiration, or slightly damaged.

### Feeding America (25%)

Our National partner connects food bank affiliates nationwide with food growers and manufacturers by providing opportunities to garner commercial donations at extremely low (or no) cost. Most pick-ups are large in scale and can yield up to 40,000 pounds. UFB is Utah's only Feeding America partner.

### U.S. Dept. of Agriculture/FEMA (20%)

When growers experience a bountiful crop season, the U.S. Dept. of Agriculture purchases surplus product at fair market value. USDA then distributes those products to food banks nationwide. The food received is top-quality and nutritious.

### Food Drives (15%)

Community food drives are a critical source of in-kind donations. UFB engages the community at-large asking for specific, high-protein items such as peanut butter and tuna fish. UFB has four major food drives to keep shelves stocked year-round: Scouting for Food, Letter Carriers, Summer Business Food Drive, and the Holiday Food Drive.

### Grocery Rescue (12%)

Grocery Rescue is a business partnership established between regional/ local grocery stores and Feeding America members, including UFB. This is a growing source of food for UFB. Wholesome food that has reached its "sell by" date is rescued and taken directly to local pantries and agencies.

### Purchased Food (2%)

Financial contributions are made from individuals and through UFB's website (The Virtual Food Drive) to purchase 'most needed' food items and turkeys during the Holiday Food Drive. Efforts are made to procure food at the lowest price possible.

■ Highest Food Lbs. Distributed

■ Least Food Lbs. Distributed

\*Counties not serviced

Utah Food Bank (UFB) collaborates monthly with pantries and agencies statewide to review the best practices and procedures. In addition, UFB partners with Utahns Against Hunger, by co-hosting the annual 'Face of Hunger in Utah' conference. This conference unites partner agencies and offers strategies within the area of emergency food for improved services.

UFB also hosts the Dare2Share conference, comprised of Feeding America members. Best practices, resources, industry trends are discussed along with ways to address the hunger needs in our region.

### Regional Food Banks, Emergency Food Pantries and Partner Agencies

UFB distributes to 125 active agencies statewide, including regional food banks, emergency food pantries and partner agencies. Types of food are tailored specifically to the agency's need.

### Food Box Delivery

Last year, 29,709 nutritious supplemental food boxes were delivered to low-income seniors with help from volunteers. Boxes contain up to 7-10 days worth of non-perishable food, milk and produce.

### Mobile Food Pantry

Mobile Food Pantry distributes food to Utahns in rural areas that do not currently have a pantry. In 2008-09 UFB distributed 1,244,435 pounds to 12 sites.

### DROPS

Delivery and Redistribution Of Produce and Surplus (DROPS) provides an extra supplement of fresh produce, dairy products, day-old bread and non-perishables in areas without existing pantries. In 2008-09 UFB distributed 396,299 pounds to 7 sites.

### Grocery Rescue

In 2006 UFB established a partnership with local grocers to pick-up wholesome food that had reached its "sell by" date. Food is "rescued" and taken directly to local pantries and agencies. Last year 2.9 million pounds were collected and distributed through Grocery Rescue.

UFB Kids Cafe Thanksgiving

## Kids Cafe Program

The Kids Cafe Program provides hot nutritious meals that are transported to after-school sites where 50% of children qualify for free or reduced cost meal. Last year, a total of 154,653 meals were provided at 19 after-school program sites, two of these located in Utah's rural areas. Nutritious meals for 17 Salt Lake County sites were prepared by a professional chef in the UFB on-site kitchen, then transported in box trucks to each site in the Salt Lake valley.

The Kids Cafe program is compensated \$0.72 by USDA for every meal served and must contain a specific nutritional structure (i.e. 1 oz. of protein and 3 g. of grains). However, additional food and monetary donations allow for larger, more nutritious portions of food to be served to each child.

Two annual sponsored events have been established to celebrate Kids Cafe. The first, Kids Cafe Carnival – kids are treated to a BBQ lunch, popcorn and other festive treats. Activities include an inflatable jump house, slides, games, face-painting, an exotic reptile petting area and more. The second, Kids Cafe Thanksgiving – kids are treated to a turkey dinner with trimmings. Unique table decorations are crafted by the children to celebrate the coming of the holidays.

Kids Cafe, Backpack site.

## BackPack Program

The Backpack program is an innovative approach to providing food for children at risk of hunger. Before weekends or school holidays, children attending Kids Cafe are provided a backpack filled with child-friendly snacks and food items that require minimal to no preparation. The parents of children living in poverty are often among the “working poor”; one or both parents may work, receive minimum wage, be employed part-time, or work weekend or evening schedules. When free or reduced price meals are not available, the

BackPack program can be a lifeline to children living in poverty. In the program's second year, a total of 11,349 backpacks were distributed at six sites within Salt Lake County.

**U**tah Food Bank (UFB) helps seniors address basic, unmet needs to help preserve their independence. The life of a senior citizen can be challenging, especially when limited income makes the fulfillment of the most basic needs such as food and home repair more difficult. The situation is worsened when support from a spouse, friend or family is no longer available. The Services for Seniors program at UFB was initiated to bridge the gap between senior poverty and the ability of seniors to live in safety and dignity, remaining in the homes they cherish.

To help accomplish this, UFB provides supplementary food boxes, minor but critical home repairs, and seasonal yard maintenance such as lawn mowing and snow removal. These services are free of charge to low-income seniors.

In 2008-09, the Services for Seniors program included 2,518 home repairs, 5,904 yard maintenance visits, and 29,709 food box deliveries.

The Services for Seniors staff includes outreach specialists who assess the seniors' eligibility and need. The handymen provide friendly, free home repairs. Volunteers assist with food box delivery, yard work and snow removal.

2008-09 2-1-1 Information and Referral

Utah

**2-1-1**  
Get Connected. Get Answers.

**2-1-1**

Information and Referral is a free, nationally-established and easy-to-remember telephone number that serves as an entry point for navigating the human services network. 2-1-1 is accessed by any phone and all calls are free and confidential. Trained information specialists assess situations, make appropriate referrals, and monitor the needs of our communities. More than 1,500 agencies and 600 programs are currently listed in the Utah 2-1-1 resource database. Additionally, 2-1-1 also hosts an informational web site: [www.211ut.org](http://www.211ut.org).

In 2008-09, 2-1-1 Information Specialists answered over 102,805 calls from people needing assistance. Questions answered by 2-1-1 specialists include inquiries about basic human needs such as emergency food, clothing, shelter, as well as rent and utility assistance. Support for seniors, persons with disabilities, children, youth and families is also available, along with physical and mental health resources, employment support, and volunteer opportunities.

Information specialists are available from 8:30 a.m. to 6 p.m., Monday through Friday, and voice mail is available after hours and on weekends. The top needs of 2-1-1 callers are housing, healthcare, and food however information is provided to those seeking volunteer opportunities within the community, child care, support groups, tax assistance, legal aid, non-profit governmental agencies, and more.

## Utah Food Bank Statement of Activities July 1, 2008 - June 30, 2009
