President & CEO Message

My second full year as President & CEO began with an expansion of our Mobile School Pantry program, while at the same time expanding in-school pantries at locations where need outpaced our monthly distributions. We expanded to 203 partner agencies and continued to focus on reaching all six corners of our state, and everywhere in between, with food resources. Little did we know just how much things were about to change.

During the Great Recession in 2008, I worked in the financial services industry while volunteering as a board member for Utah Food Bank. I saw how that crisis impacted lives from both sides. With COVID-19, I am once again witnessing the devastating impact a catastrophe can have on our friends and neighbors. Almost overnight, I saw the number of Utahns facing hunger jump from 374,000 to 511,000. As businesses and schools closed, families across Utah found themselves struggling to make ends meet and feed their children, many for the first time. With supply chains breaking down and the need for assistance skyrocketing, food banks across the country were stretched thin and struggled to meet the demand.

Mobile Pantry distributions increased 49% over 2019, and lines were still longer than ever before, including our largest one-time distribution to date held at the Maverik Center in April. This emergency food distribution served more than 5,000 families, impacting a total of approximately 29,000 individuals in a matter of hours.

At the same time, Utah Food Bank was fortunate to have an overwhelming outpouring of support from our community — and with the concerted effort of many, we rose to the challenge and met the increase in need. Just as importantly, our incredible staff and volunteers stepped up to the challenge. With their hard work, flexibility, and determination, we distributed 52.9 million pounds of food last year. A record-breaking amount, and an increase of 7.2 million pounds over 2019! I consider myself fortunate to view this catastrophe from both sides as well — urgent need matched with extraordinary generosity.

At some point, this pandemic will end. However, the disastrous economic impact it has had on thousands of Utah families will linger for years to come. Food lines are not going away any time soon. Despite this, I have good reason to be optimistic about the future. Through this past year, I have witnessed incredible support from across our state to help us achieve our mission of *Fighting Hunger Statewide*. No matter what the future holds, this past year has shown me that Utahns will be here for their neighbors — and we will be here for any Utahn struggling to feed themselves or their families.

Events

Due to COVID-19 safety protocols, we made the difficult decision to cancel or reimagine several events in 2020. Our annual Driving Out Hunger golf tournament was cancelled in June, with hopes to host it again in 2021. Our annual Night at the Warehouse gala, traditionally held in April, was instead hosted as an online auction in August, for which sponsorships were not obtained.

- Gold Sponsors: Discover, Grandeur Peak Funds and University of Utah Health
- Bronze Sponsors: Arby's Foundation, Bank of America, C.R. England, Dell Technologies, O.C. Tanner Company
- Friend Sponsor: United States Census

Food Drives

Food drives in Fiscal Year 2020 saw dramatic changes due to COVID-19. The Stamp Out Hunger Food Drive was cancelled, while the Summer Business Food & Fund Drive operated on a smaller scale and with a greater focus on virtual giving due to the uncertain nature of so many workplaces. In addition, 2019 marked the end of the 34-year partnership with Scouting For Food across the state.

Summer Business Food & Fund Drive: 6/1/19 - 8/31/19

- Meal equivalent provided: 3.1 million
- Hosted Food & Fund Drives: 72
- Sponsored by: Les Olson Company

Holiday Food & Fund Drive: 10/15/19 - 1/15/20

- Meal equivalent provided: 4 million
