CASH & CHECK DONATION FORM

THANK YOU

Thank you for joining Utah Food Bank in *Fighting Hunger Statewide!* Since every dollar donated to Utah Food Bank equals \$8.71 worth of goods and services, with a little work and a lot of fun, your fundraiser will make a big difference in the lives of Utah families facing hunger.

This Fundraising Toolkit contains step-by-step instructions for starting and managing your own fundraiser. We know it will be a huge success!

Thank you again for choosing to make a difference in the lives of others. You make our work possible.

Sincerely,

Are you an individual starting a fundraiser? These instructions are for you! Are you organizing a fundraiser for a group or company? Reference page 5 for all the details!

GET STARTED

1 **CLAIM YOUR PERSONAL PAGE**

Go to UtahFoodBank.org/diy and click on "Get Started" to access JustGiving. Next, click on the orange 'Start Fundraising' button. Complete all required information.

2 **WHAT ARE YOU DOING?**

Confirm whether you're taking part in an event, celebrating an occasion, fundraising in memory of someone, or doing your own thing. If you can't see your event listed, select 'Doing your own thing' at the bottom right corner of the page and fill in the details.

3 **CHECK YOUR DETAILS**

Select your event type and date (optional) and choose your Fundraising URL – this is the link you'll be sharing with friends and family when asking them to donate. Click 'Create your page.'

4 **DONATE**

To really get the ball rolling and inspire others, we recommend starting your fundraiser with a donation. This is optional, but people are more likely to donate when they see others have given!

5 **SHARE AWAY!**

Your Fundraising Page is now set up and ready to accept donations. Now you can start on the fun stuff—personalizing your page and sharing it with friends and family.

TRACKING GROUPS

1 WANT TO TRACK MULTIPLE GROUPS?

It's easy to have multiple people or groups fundraise on your behalf, with it all being tracked together on one primary fundraising page! This will allow you and your company, organization, or friends to combine your individual fundraising pages together to contribute to an overall total. It's great if you want multiple people to fundraise and compete within your organization.

2 HOW TO CREATE A PAGE:

Contact us to set up the primary fundraising page. Email Heidic@utahfoodbank.org or call 801-887-1278 to begin the process. We will need the following information:

- Your team a name
- The story behind your reason to fundraise together (1000 characters max)
- A cover photo (JPEG format, 415 x 235px in size)
- The team's fundraising target

3 INVITE YOUR FRIENDS!

Once the primary page is set up, you can email it to each person or group who wants unique fundraising links. When they click on the orange "Start Fundraising" button and follow the process, they will receive their own fundraising links and can either utilize your existing primary fundraising page content or create their own.

GROUP PAGES ARE OPTIONAL

If you and your teammates prefer to use the same fundraising page URL, create a regular fundraising page and list all team members in the story section. Choose an account name and web address that reflects your team name.

THE KEY INGREDIENTS

Fundraising summary

Keep it short and sweet. This will be what people see when they land on your Fundraising Page or when you share it on social media.

Target

Setting a target creates momentum and gives you a goal to focus on. Plus, pages with a goal raise 46% more than those without! Be ambitious and realistic.

Image

Let your picture do some talking too. Grab your smartphone or digital camera and capture something that helps to tell your story or share what you're doing. **JPEG format, landscape orientation, in a 415 x 235px size is best.**

Tell your story

Explain why you are raising money, how you are doing it, and why the cause means so much to you. The people reading it will be friends, colleagues and loved ones so don't be afraid to open up and be emotive.

Updates

They might look small, but they pack a big punch. Updating your supporters on how things are going, how close you are to your target, how your training is working out, or just saying thanks for all their help will keep them engaged. An engaged audience is more likely to spread the word about what you're up to, which could lead to more donations!

Include all your fundraising

Make sure you include the donations you've received by cash and check so that all of your efforts can be seen.

GET SOCIAL!

Sharing your Fundraising Page on social media is the easiest (and quickest) way to get your fundraiser out there. Just click the Facebook and Twitter share buttons on your Page, and leave a comment to let people know what you could achieve with their support. **Don't forget to tag us at @utahfoodbank, our handle across all three social media platforms.** Remember that different channels will help you in different ways:

FACEBOOK

Why not build a network around your fundraising by creating a Facebook page and posting regular updates to keep people involved? Post loads of images too - they grab people's attention much better than text.

TWITTER

People chat on Twitter by hashtagging (#) keywords and phrases. Check out trending topics on the left to see if anything is relevant to your cause, and use hashtags in your tweets to help the right people find you. To shorten a your URL, go to Bit.ly. Don't forget to add pictures!

INSTAGRAM

Focus on the images and keep written content short. Like Twitter, you can use hashtag keywords and phrases to help the right people find you.

SHARE YOUR PAGE

An easy way to share your fundraising page is by using a QR Code that will send people directly to your specific fundraising page.

What is a QR code?

It is a barcode for a website. When you point your phone's camera at it, it scans the barcode and opens up a website without having to type in your web address!

How do I access my QR code?

There are two ways of getting your unique QR code for your fundraising page.

- Type your fundraising page web address in the search bar and add **'/qrcode/'** to the end of the address - your page's unique QR code will then appear.
- Go to Edit Your Profile and see it in **'Send your QR code.'**

What do I do with it?

You can download it on your phone or computer and add it to your posters, flyers and signs so that your supporters can easily access your fundraising page.

WRITING EMAILS

Email is still one of the most effective ways to let people know about your cause. Amongst endless spam and marketing, an email from a friend feels special. Be sure to let them know why you're fundraising and what you're hoping to achieve with their support. Below are some example emails, but feel free to use your own words!

EVERY MILE COUNTS

TRACKING YOUR TRAINING

For run, walk, or ride fundraising drives, Strava is the answer to logging all those miles! We all know giving is more than just money. You're giving your time, effort, energy, and voice. All those miles, blisters, sweat, and tears are energy given to fighting hunger. So, let's count it.

When you connect your Strava account to your fundraising page, your training will automatically pull into your page. Fundraisers who track and share their training efforts raise 45% more than those who don't!

HOW DO I CONNECT MY FUNDRAISING PAGE TO STRAVA?

- Log in to your Fundraising Page and scroll down slightly to the 'Connect Strava' button.
- You'll then need to log in to or register with Strava (it's free!).
- Finally, confirm some Strava permissions and select and save your fitness settings and preferences.

CAN I CONNECT MULTIPLE PAGES TO STRAVA?

Yes, you can connect multiple pages within one account. On the first page you connect, you'll be asked to log in to Strava and confirm some permission settings. For any subsequent page you connect, you will bypass this step and go straight to the pages' fitness settings for you to set specific preferences for that fundraising page.

You can also have different fitness activities appearing on different fundraising pages, for example, one page to just show Running and another to show Cycling.

TELL US ALL ABOUT IT!

What made your fundraiser a success?
What advice would you offer others?
What tools would help you maximize your efforts?
We'd love to hear your thoughts!

Please contact Heidi Cannella at 801.887.1278 or heidic@utahfoodbank.org.

3 Make sure to enter the gifts into your Fundraising Page using the 'Raised offline' function:

- Log into your account
- Click 'Edit' on the page you'd like to add the balance to from your profile area
- Click 'Donations' along the top of the page
- Amend the total amount raised offline and select 'Save offline donations'

The names of offline donors won't show on your Fundraising Page. If you'd like to acknowledge the friends and family who've given you money offline, you can add a quick update to your page thanking them for their donation.
