1. BACKGROUND OF REQUESTOR

- a. UFB is the central collection and distribution hub for emergency and supplemental food for families and individuals in Utah experiencing the hardships of hunger and poverty. Donations of food and other useful household goods are distributed to Utahns in need through a statewide network of over 216 partner agencies including emergency food pantries, churches, senior centers and after-school programs. In 2022, Utah Food Bank distributed over 70.2 million pounds of food—the equivalent of over 58.5 million meals.
- b. UFB Kids Cafe program currently provides up to 2600 nutritious meals each weekday to children from low-income families at more than 80 school year and summer feeding sites in counties state wide. Serving hot meals, thaw & serve meals, and shelf stable meals. These week-day meals are set up and served by volunteers, site staff and students at after-school programs in schools, community centers and other child-friendly locations. Consistent, nutritious meals for children are vital for a lifetime of physical health. Access to nutritional food helps children focus on school work and develop valuable social and emotional skills.
- c. In the 2022 FY (July 1st 2021 to June 30th 2022) UFB served 18, 863 Thaw & Serve meals. This number was greatly impacted by USDA waivers and a large shift toward shelf stable meals. We anticipate serving closer to 35,000 Thaw and serve meals in FY2023 with about 50% of these being served in the SFSP. This contract will be for the calendar year 2023. The winning bidder will receive the award for all of the food items excluding milk products. We will continue to look for growth opportunities, as our goal is to serve additional children struggling with food insecurity. We are anticipating 2% growth annually.

2. PURPOSE OF REQUEST

- a. The purpose of this solicitation is to enter into a fixed-priced contract with a FSVC of unitized thaw and serve meals which will be served to children participating in the USDA Federal Child Nutrition Programs, Child and Adult Care and Summer Food Service Programs which are being sponsored by UFB. FSVC of unitized meals are considered Food Service Management Companies (FSMC) and the bid, contract/agreement, and service requirements will be subject to the applicable state and federal rules, regulations, and guidance which governing FSMC agreements. Applicable regulations can be found in 7 CFR 225, 226 and 2 CFR 200. **This agreement will not include the use of federally donated commodities.** CACFP meal pattern will be used year round for both CACFP & SFSP programs.
- b. The contract will be between FSVC and UFB. The successful FSVC shall be required to enter into a contract that incorporates this Request for Proposal (RFP), including all of its exhibits, and FSVC's Proposal. If FSVC has any objections or comments to make regarding the requirements, they should so state in their FSVC Proposal. Significant general terms and conditions will include, but are not limited to those in this RFP.

No pleas of ignorance relating to any data encountered under this contract will be accepted as a result of failure or omission on the part of FSVC to fulfill in every respect all the requirements, nor will the same be accepted as a basis for any claim whatsoever for extra charges for food services.
 - g. Ensure the response package contains everything listed on Attachment G Bid Packet Checklist.
 - h. CACFP Policy Guidance Meal Pattern Q&As. Send all questions to: matta@utahfoodbank.org. All Q&A will be on the document you can view following this link ([Kids Cafe Thaw and Serve Q&A](#))

The contract is awarded to the proposal that is most advantageous to the program (2 CFR Part 200.320(d)(4))
- a. The final selection will be subject to review and approval by Utah Food Bank's selection committee. The contract will be awarded to the FSVC that meets the minimum bid requirements as outlined in Attachment G Bid Packet Checklist and with the highest overall score for the graded criteria as outlined in Attachment H Graded Criteria Score Sheet.

The proposed menu must meet USDA guidelines for Food Based Menu Planning based as exhibited in the Final Rule 7 CFR 226 Child and Adult Care Food Program (published April 25, 2016). The FSVC shall be required to submit with the proposal a bid bond 5% of the anticipated contract value. A copy of the bid bond must be attached with bid or the bid will be considered incomplete and discarded.

¹ In NSLP and SBP (grades K-12), all grains served must meet whole grain-rich criteria. For information on flexibilities, please contact your State agency. For all other Child Nutrition Programs, grains are whole grain or enriched or made with enriched or whole-grain meal and/or flour, bran, and/or germ. Under CACFP child and adult meal patterns, and in NSLP/SBP preschool meals, at least one grain serving per day must meet whole grain-rich criteria.

² For NSLP and SBP (grades K-12), grain quantities are determined using ounce equivalents (oz eq). All other Child Nutrition Programs determine grain quantities using grains/bread servings. Beginning Oct. 1, 2019, grain quantities in CACFP and NSLP/SBP infant and preschool meals will be determined using oz eq. Some of the following grains may contain more sugar, salt, and/or fat than others. This should be a consideration when deciding how often to serve them.

³ Allowed in NSLP (up to 2.0 oz eq grain-based dessert per week in grades K-12) as specified in §210.10 and at snack service in SFSP. Considered a grain-based dessert and cannot count towards the grain component in CACFP or NSLP/SBP infant and preschool meals beginning October 1, 2017, as specified in §§226.20(a)(4) and 210.10.

⁴ Allowable in NSLP (up to 2.0 oz eq grain-based dessert per week for grades K-12) as specified in §210.10. May count towards the grain component in SBP (grades K-12) and at snack and breakfast meals in SFSP. Considered a grain-based dessert and cannot count towards the grain component in the CACFP and NSLP/SBP infant and preschool meals beginning October 1, 2017, as specified in §§226.20(a)(4) and 210.10.

⁵ Allowed in NSLP (up to 2.0 oz eq grain-based dessert per week in grades K-12) as specified in §210.10. May count towards the grain component in SBP (grades K-12), CACFP, NSLP/SBP infant and preschool meals, and SFSP.

⁶ Refer to program regulations for the appropriate serving size for supplements served to children aged 1 through 5 in the NSLP; breakfast served in the SBP, and

meals served to children ages 1 through 5 and adult participants in the CACFP. Breakfast cereals are traditionally served as a breakfast menu item but may be served in meals other than breakfast.

⁷ In the NSLP and SBP, cereals must list a whole grain as the first ingredient and be fortified, or if the cereal is 100 percent whole grain, fortification is not required. For CACFP and SFSP, cereals must be whole-grain, enriched, or fortified; cereals served in CACFP and NSLP/SBP infant and preschool meals must contain no more than 6 grams of sugar per dry ounce.
